

Coronavirus Response (COVID-19) FAQs:

MASK EXCEPTIONS

I have a reason I cannot wear a face covering. Am I required to document or prove that?

No, there is no requirement to document or prove a reason for not wearing a face covering.

Should I say something if someone near me isn't wearing a face covering?

No. Someone may have a medical reason for not wearing a face covering. Whether those around you are wearing face coverings or not, focus on keeping 6 feet of distance between you and washing your hands often.

What should I do if I see someone not wearing a mask?

Nothing. Some people have conditions or circumstances that would make wearing a cloth face covering difficult or dangerous. Just wear your mask and stay six feet away.
