

DID YOU KNOW?

- In 1986 Congress passed the Childhood Vaccine Injury Act which freed vaccine manufacturers from all liability resulting from vaccine injury or death.

****Simply put, you cannot sue vaccine makers for any injury or death resulting from childhood vaccines.****

NO SHOTS, NO SCHOOL ...NOT TRUE!

- According to Georgia Secretary of State Rule 511-2-2-.07, a child shall be exempt from the required immunizations if the parent or legal guardian has filed with the school or childcare facility a completed affidavit on DPH Form 2208.
